Question:

What is the total value of the funds being used to assist staff with training and support in the current environment?

Answer:

The Australian National Preventive Health Agency provides access to training courses and development support for all staff as part of its standard annual investment.

Total funds expended to date to assist staff with training and support is:

- 2012-13 \$27,092 (incl GST) – average approximately \$680 per staff member; and
- 2013-14 \$26,584 (incl GST) – average approximately \$665 per staff member.
