Topic: Front-of-Package Labelling

Type of Question: Hansard Page 39, 20 November 2013

Senator: McKenzie

Question:

How would a full cream milk rate against another product? Can we compare it against another product? When you say it 'rates lower' I need some sort of comparison.

Answer:

Generally, full cream milk would be provided with a rating of around 4 stars. Comparatively, skim milk would generally receive a rating of around 4.5 stars.
