Program No. Australian Broadcasting Corporation (ABC)

Hansard Ref: In Writing

Topic: Corporate Cars

Senator Ludwig asked:

1. How many cars are owned by each Department/Agency?
2. Where is the car/s located?
3. What is the car/s used for?
4. What is the cost of each car from Supplementary Budget Estimates in November 2013 to date?
5. How far did each car travel from Supplementary Budget Estimates in November 2013 to date?
6. How many cars are leased by each department/agency?
7. Where are the cars located?
8. What are the cars used for?
9. What is the cost of each car from Supplementary Budget Estimates in November 2013 to date?
10. How far did each car travel from Supplementary Budget Estimates in November 2013 to date?

Answer:

1. The ABC owned 62 vehicles as at 31 January, 2014, 10 of which were trailers.
2. Refer to table provided in response to part five of this question on notice.
3. The vehicles are used as follows:

Department	Type	Use
Corporate Marketing	1 Exhibition trailer	Touring and marketing
Radio	6 vehicles	News and content gathering
Resources	53 vehicles	crew and equipment transportation, Outside Broadcasts, news/content gathering
Technology	1 vehicle	Transport resources and equipment
Communication Networks	1 vehicle	News and content gathering, broadcasting

4. Refer to table provided in response to part five of this question on notice. Trailers are omitted from his table, however, as they do not have an odometer reading.
