Topic: Facilities Upgrades

Senator Bilyk, Catryna asked:

1. Have the facilities of any of the Department's premises, or the premises of any agencies in the portfolio, been upgraded since 1 March 2017, for example, staff room refurbishments, kitchen refurbishments, bathroom refurbishments, the purchase of any new fridges, coffee machines, or other kitchen equipment?
2. If so, can a detailed description of the relevant facilities upgrade please be provided together with an itemised list of costs (GST inclusive)? Can any photographs of the upgraded facilities please be provided?

Answer:

1. yes
2. Three (3) existing spaces were refurbished to create standard teaching spaces. This included building rectification works, making the spaces fit for purpose and new AV equipment. The building rectification works were new bulkheads in the ceiling to cover existing air conditioning ducting, hide pipework and cable ducting, repainting of walls and ceiling in AFTRS colours. The AV fitout was to standard AFTRS teaching room setup, including projector, screen, speakers, amplifier, Blu-ray player, and sundries. Furniture and phone in the spaces were repurposed from existing stock.

Cost Breakdown

- Building works: \$16,214.
- Audio Visuals: \$29,937.60.
