**Question: AET 1016**

**Topic: Internet**

**Written: Received from Committee – 22 February 2013**

**Senator BUSHBY asked:**

1016. Has the Department experienced any internet problems, such as but not limited to slow internet, or internet blackouts? If yes, what was the reason for this? Did it impact the Minister's office?

**Answer:**

1016. Yes. During the past 12 months the Australian Prudential Regulation Authority (APRA) has experienced four service disruptions: three disruptions were due to the failure of internal network equipment; and one was caused by a configuration error. APRA does not provide internet services to the Minister's Office.
