Additional Estimates

13 – 14 February 2013

Question: AET 1150-1152

Topic: Executive Coaching and Leadership Training

Written: Received from Committee – 22 February 2013

Senator BUSHBY asked:

1150. In relation to executive coaching and/or other leadership training services purchased by each department/agency, please provide the following information for this financial year to date (22 February 2013):
- Total spending on these services;
 - The number of employees offered these services and their employment classification;
 - The number of employees who have utilised these services, their employment classification and how much study leave each employee was granted (provide a breakdown for each employment classification);
 - The names of all service providers engaged.
1151. For each service purchased from a provider listed under 268(d), please provide:
- The name and nature of the service purchased;
 - Whether the service is one-on-one or group based;
 - The number of employees who received the service and their employment classification;
 - The total number of hours involved for all employees (provide a breakdown for each employment classification);
 - The total amount spent on the service;
 - A description of the fees charged (i.e. per hour, complete package).
1152. Where a service was provided at any location other than the department or agency's own premises, please provide:
- The location used;
 - The number of employees who took part on each occasion (provide a breakdown for each employment classification);
 - The total number of hours involved for all employees who took part (provide a breakdown for each employment classification);
 - Any costs the department or agency has incurred to use the location.

Answer:

- 1150-1152. Please see the response to AET 1149. The ABS does not record executive coaching and leadership training in a way that would readily allow answers to be provided to these questions. To attempt to provide this level of detail would involve an unreasonable diversion of departmental resources.
