Dear Senator Heffernan

Thank you for agreeing to receive this documentation as requested by Mr. Gerard Clarke on the 14th of February 2011.

After over viewing the attached documentation you may appreciate that this is a very serious problem that all employees of Ruttley's are facing.

There have been many attempts by individuals over many years to rectify this problem but they inevitably fail and are there for forced to move on to other employment with out receiving the unpaid superannuation payments due to them by Ruttley's.

We have started a register for all persons who are current and past employees of Ruttley's and there associated shelf companies, that are owed superannuation payments and I have enclosed a few as samples for you to over view.

Having been in contact with many past and present employees we envisage that we will eventually collect hundreds of these statements and that they will all tell the same story of non payment of there superannuation payments.

While being engaged in the pursuit of unpaid superannuation, we have become aware of a second and perhaps more serious problem, this problem being the failure by Ruttley's to pass on child support payments they have been deducting from some employees wages to there ex wives and dependant children.

Both of these matters are of grave concern to us as a group and we plead with you to help us achieve a favorable result.

We would ask that the names of current employees be treated with confidentiality as they are fearful of losing there jobs.

I would like to thank you again on behalf of the superannuation recovery action group for taking the time in looking into this matter for us and look forward to any assistance you may provide in the above matters.

Yours Faithfully

Peter McNamara
