ABS has partnered with AMSI and CSIRO to support the delivery of a CSIRO Education prepared e-newsletter, "Maths and Stats by Email".

'Maths by Email' is a program that has provided a fortnightly e-newsletter to subscribers since March 2010. The program is aimed at primary and secondary school teachers, students and families.

There are currently over 12,000 subscribers to the e-newsletter, the majority of which are primary and secondary school teachers. Maths by Email is an initiative to connect the study of mathematics or statistics by students to career opportunities.
