1801. How many documents (include the amount of copies) have been printed this financial year to date (26 October 2012)? How many of these printed documents were also published online?

Answer:

- 1797 - 1799. In 2011-12, 37,231 reports were printed at a cost of \$233,366 (ex GST). Commission publications are also available online (there were 52 publications in this period). In general, Commission reports are provided to those who have expressed an interest in the Commission's work, or participated in particular Commission inquiries. They can also be purchased through the Commission's publications agent.
- 1800 - 1801. For the financial year to 26 October 2012, 8,935 reports were printed at a cost of \$60,176 (ex GST). These publications are also available online (there were 12 publications in this period).
