Question: SBT 406

Topic: Staff – Training (ASIC)

Written: Received from Committee – 26 October 2012

Senator BUSHBY asked:

406. How much is estimated to be spent on 2013 Graduate Training?
Provide details of what training is to be provided, why and the estimated cost for each.

Answer:

406. ASIC graduates undertake a national induction program, which welcomes them to the Agency and informs them of our work. This program is delivered internally; therefore costs are limited to travel and accommodation expenses only.

Throughout the graduate year a Graduate Development Program is delivered in two instalments. This program is to be delivered by Ignite Performance at a cost of \$21,800 excluding GST.

Graduates have access to eLearning and other vocational programs run internally as part of our annual learning event calendar. The cost of these is not calculated at an individual level.

Graduates also have access, as do all ASIC employees of up to \$5,000 via the Studies Assistance Scheme, for external, approved study relevant to their work.
