**Senator Carr, Kim asked on 25 February 2015, Hansard page 129**

***Breakdown by University of 2014 payments***

**Question**

Senator KIM CARR: Let's start with the 2014 amount.

Mr Hart: This is by financial year basis. These are initial estimates that were done in the context of the 2013-14 budget, I believe. It was \$84.9 million.

Senator KIM CARR: Okay, that is for 2014.

Mr Griew: That figure is a total figure, and bear in mind that some part of that will be implemented through legislative instruments and some part through the proposed bill. It may be best if we give you that breakdown on notice.

Senator KIM CARR: Thank you. But it is of that range, around 85 million required, and for the reconciliation.

Mr Hart: Yes, around that range.

Senator KIM CARR: Do you have a breakdown for individual universities?

Mr Hart: I would have to take that on notice.

**Answer**

As at Budget 2013-14 the value of the efficiency dividend withheld from providers for the Commonwealth Grants Scheme (CGS) (including loadings) was \$129.5 million for calendar year 2014. The disaggregated amounts, by university, are attached.

The actual amount that may be required if legislation is not passed, will depend on final actual student data provided by universities. This will not be available until mid-2015.
