

Senate Committee: Education and Employment

**QUESTION ON NOTICE
Additional Estimates 2014 - 2015**

Outcome: Agency: ACARA

Department of Education and Training Question No. SQ15-000121

Senator Wright, Penny provided in writing

ACARA: School transport expenditure

Question

How is school transport expenditure treated in the estimates of government expenditure on government and private schools in the National Report on Schooling in Australia? What are the respective estimates of school transport expenditure for government, Catholic and Independent schools in each state/territory and national over the period 2008-09 to the latest estimates available?

Answer

ACARA has provided the following response.

ACARA does not hold data on school transport expenditure.
