**Answer**

The 2014-15 Portfolio Budget Statements, updated by the 2014-15 Portfolio Additional Estimates Statements, provides details of programmes managed by the department including ASL by Outcome.

Staff in the department are deployed as necessary across all our programmes, with staffing numbers changing in response to workloads and priorities.

The expenses associated with programmes managed on behalf of Government by the department are also outlined in the 2014-15 Portfolio Budget Statements, updated by the 2014-15 Portfolio Additional Estimates Statements.

Further details on discretionary grant administered programmes can be found in the response provided for SQ15-000191.
