### **QUESTIONS ON NOTICE Additional Estimates 2015 - 2016**

#### **Outcome 1 - Employment**

**Department of Employment Question No. EMSQ16-000055**

**Senator Cameron asked on 11 February 2016 on proof Hansard page 71**

#### **Question**

##### **jobactive providers in remote communities**

Senator CAMERON: Can you give us details of where the shopfronts have been closed and where the new ones are? I would like a comparison between the previous contract and the current one.

#### **Answer**

Under the previous Job Services Australia contract there were 1723 sites. Under the current jobactive contract there are 1723 sites, with every Employment Region being serviced by multiple sites, although not necessarily in the same location.

A list of the new locations in which there is a physical site under the current contract is provided at [Attachment A](#).

A list of the locations that had a physical site under the previous contract but no longer have a physical site under the current contract is provided at [Attachment B](#).
