

## Australian Government

### Fair Work Building & Construction

18 March 2016

Ms Julia Agostino  
Committee Secretary  
Senate Standing Committee on Education and Employment  
PO Box 6100  
Parliament House  
CANBERRA ACT 2600

Dear Ms Agostino,

On 12 February 2016, Fair Work Building and Construction (FWBC) appeared before the Senate Standing Committee on Education and Employment for the Additional Estimates hearing.

During this hearing, I advised the Committee that DBM Independent Consultants had done work for Centrelink, the Department of Defence and the Department of Human Services.

It has since been brought to my attention that I had inadvertently provided the Committee with incorrect information. I wish to inform the Committee that David Madden/DBM Independent Consultants have undertaken work for a number of Government agencies including:

- NSW Department of Juvenile Justice
- NSW Department of Education and Training
- NSW Ambulance Service
- NSW Fire Brigade
- NSW Department of Department of Ageing Disability and Homecare
- NSW Department of Commerce
- NSW Department of Environment and Conservation
- WorkCover NSW
- Sydney City Council
- NSW Department of Fair Trading
- NSW Department of Aboriginal Affairs
- NSW Department of Community Services
- NSW Department of Housing
- NSW Ministry of Transport
- NSW Department of Arts, Sport and Recreation
- Roads and Maritime Services
- Office of the Director of Public Prosecutions, NSW

I apologise to the Committee for any inconvenience caused.

Yours sincerely,

**Nigel Hadgkiss**  
Director  
Fair Work Building & Construction
