ARC - Executive positions

Question

Senator KIM CARR: What are the positions that attract executive status of the seven. What are the seven people, and then I will obviously want to know who they are?

Ms Harvey: There are the senior executive service officers. We have, for example, the branch manager and we have the executive general manager. We also have our executive directors, which are drawn from the academic sector which form part of the SES cohort, of which this is the senior executive remuneration that sits within this.

Senator KIM CARR: And those persons are all on your organisational chart?

Ms Harvey: Yes, on our organisational chart. Would you like me to—

Senator KIM CARR: Yes. If you could provide that, it would be helpful so I know that I have got the right ones.

Ms Harvey: Yes. I am happy to do that.
