

## Senate Committee: Education and Employment

### QUESTION ON NOTICE Additional Estimates 2016 - 2017

#### Outcome: Schools and Youth

#### Department of Education and Training Question No. SQ17-000540

Senator Paterson, James provided in writing.

#### ***Breakdown by year and jurisdiction of the 2017 Report on Government Services data on schools funding since 2010-11 to 2014-15***

#### Question

Please provide a breakdown by year and jurisdiction of the 2017 Report on Government Services data on schools funding since 2010–11 to 2014–15?

#### Answer

The 2017 Report on Government Services (RoGS), produced by the Productivity Commission, provides a breakdown of schools funding by year and jurisdiction.

#### **2010-11 Commonwealth and state/territory government funding per student by sector and jurisdiction in real terms (\$ per student)**

Notes: (1) State government funding to government schools includes user cost of capital.

\*Total public funding data combines Commonwealth recurrent expenditure and state/territory government recurrent expenditure to present total government recurrent expenditure on school education.
