**Senator Carr asked on 20 November 2013, Hansard page 7**

**Question**

**Changes in personnel arising from the change in Administrative Arrangements**

Senator KIM CARR: What is the change in personnel that has come about as a result of the change in these administrative arrangements? Ms Paul: In what way? Senator KIM CARR: How many people have come across? Ms Paul: That is still being settled, of course, because it is particularly the flow-on to corporate. The Department of Education has already received the higher education people, all of whom you would be familiar with, and the research people, but numbers of the corporate people have not been sent to us. Senator KIM CARR: Will you take on notice, please, the number of people. Ms Paul: Sure.

**Answer**

As a result of the Administrative Arrangements Orders, 404 Higher Education, Research and International employees transferred from the Department of Industry to the Department of Education on 5 December 2013. The transfer of corporate resources had not been finalised at the time this response was prepared.
