

Australian Government
Austrade

Senator Alex Gallacher
Chair
Senate Foreign Affairs, Defence and Trade Committee
Parliament House
CANBERRA ACT 2600

Dear Senator Gallacher

I refer to Foreign Affairs, Defence and Trade Committee answers for Q09 Budget Senate Estimates June 2015, Q56 Budget Senate Estimates June 2015, Supplementary Budget Estimates Q41, October 2015, Q3 Additional Estimates 2015-16, Q101 Additional Estimates 2015-16, Q102 Additional Estimates 2015-16, Q17 Supplementary Budget Estimates 2016-17.

It has been brought to Austrade's attention that we incorrectly listed Mr Troy Adams, Global Road Technology as a participant on the then Minister for Trade and Investment, the Hon Andrew Robb MP's business missions to Papua New Guinea and the Philippines in May 2015 in Supplementary Budget Estimates Q41, October 2015 and subsequent Estimate answers provided to the committee. Mr Troy Adams, Global Rail Technology confirmed his interest in joining the business mission and was subsequently listed in the Delegate Directory for both visits but withdrew his participation for both missions just prior to the commencement of the Papua New Guinea mission.

Having identified this error, Austrade commenced a full review of participants at business missions over the last three years, along with costings. Therefore, Austrade takes the opportunity to provide updated detail for the Papua New Guinea and Philippines business missions (Number 18 & 19) which does not include GRT as participants.

Enclosed at **Attachment A** is a summary table of all 30 missions supported by Austrade since early 2014 to February 2017 and **Attachment B** provides the full listing detail. I would be grateful if you could bring this updated and corrected information to the attention of Committee members.

Yours sincerely

Grame Barty
Executive Director
International Operations
