Written Question on Notice

Senator Siewert asked:

Can you please provide an update on the evaluation of the current intensive nursing home visits trial program?

- a) Has the evaluation begun?
- b) Who is undertaking the evaluation?

Answer:

The intensive nursing home visits trial program is not a program that is managed by this Portfolio or the Department of Families, Housing, Community Services and Indigenous Affairs. The Department has been unable to ascertain to which program this question refers and therefore which agency manages this program or may be undertaking an evaluation.
