**Topic: Computers**

**Senator Ludwig asked:**

1. List the current inventory of computers owned, leased, stored, or able to be accessed by the department, listing the equipment cost and location
2. Please detail the operating systems used by the Departments computers, the contractual arrangements for operating software and the on-going costs.

**Answer:**

- 1-2. NBN Co staff are provided with the necessary equipment to carry out their work. Listing the various pieces of equipment provided to staff and cross-checking this against classification and individual requirements would be an unreasonable diversion of resources.
