Additional Estimates 2007-08

Report to the Senate

Introduction

1.1 On 13 February 2008 the Senate referred to the committee for examination and report the following documents in relation to the Innovation, Industry, Science and Research; Resources, Energy and Tourism; and Treasury portfolios:

- Particulars of proposed additional expenditure in respect of the year ending on 30 June 2008 [Appropriation Bill (No. 3) 2007-2008];
- Particulars of certain proposed additional expenditure in respect of the year ending on 30 June 2008 [Appropriation Bill (No. 4) 2007-2008];
- Issues from the Advance to the Finance Minister as a final charge for the year ended 30 June 2007; and
- Final budget outcome 2006-07–Report by the Treasurer and the Minister for Finance and Administration, September 2007.¹

Changes to allocation of portfolios

1.2 The committee notes that significant changes have been made to the Administrative Arrangements Order since the last budget estimates round. These changes have resulted in changes to the allocation of portfolios to committees so that the Economics Committee now covers the following portfolios:

- Innovation, Industry, Science and Research;
- Resources, Energy and Tourism; and
- Treasury.²

The structures and outcomes for each of these portfolios are summarised in Appendices 4, 5 and 6, respectively.

General comments

1.3 The committee received evidence from Senator the Hon Kim Carr, Minister for Innovation, Industry, Science and Research; Senator the Hon Stephen Conroy, representing the Treasurer and Assistant Treasurer; Senator the Hon Nick Sherry, Minister for Superannuation and Corporate Law; and officers from the Innovation, Industry, Science and Research; Resources, Energy and Tourism; and Treasury

portfolios. The committee thanks the ministers and officers who attended the hearings for their assistance.

1.4 The committee conducted hearings over three days, from 20 to 21 February 2008, and on 11 March 2008. In total the committee met for 24 hours and 5 minutes, excluding breaks.

Questions on notice

1.5 The committee draws the attention of all departments and agencies to the deadline of Friday, 11 April 2008 for the receipt of answers to questions taken on notice from this round. As the committee is required to report before responses to questions are due, this report has been prepared without reference to any of these responses. The secretariat has prepared indexes for questions taken on notice during and after the hearings and these will be made available on the following website http://www.aph.gov.au/Senate/committee/economics_ctte/estimates/add_0708/index.htm.

Record of proceedings

1.6 This report does not attempt to analyse the evidence presented over the three days of hearings. However, it does include a brief list of the issues that were traversed by the committee for all portfolios.

1.7 Copies of the Hansard transcripts are available on the internet at http://www.aph.gov.au/Senate/committee/economics_ctte/estimates/add_0708/index.htm. Copies are also tabled with this report for the information of the Senate.
