Additional Budget Estimates Hearing 2013-14
27 February 2014

AGENCY/DEPARTMENT: DEPARTMENT OF INDUSTRY

TOPIC: Enterprise Connect Program

REFERENCE: Written Question - Senator Kim Carr

QUESTION No.: AI-I39

Senator KIM CARR: So it was only relating to one program? It was not general programs? What is the one program?

Ms Beauchamp: I do not have the website in front of me, so I am not sure; but, from what you are saying, it absolutely accords with what I said earlier in terms of the Department of Finance and the Minister for Finance making sure our programs and projects are in accordance with government priorities.

Senator KIM CARR: Yes, but my point goes to the issue of whether it was relating to one program or all programs. I think we are getting some assistance here.

Ms Beauchamp: I am getting some advice. I thought it was for the one program—Enterprise Connect—but I will take that on notice and confirm.
