**AGENCY/DEPARTMENT:** DEPARTMENT OF INDUSTRY

**TOPIC:** Computers

**REFERENCE:** Written Question – Senator Ludwig

**QUESTION No.:** AI-45

1. List the current inventory of computers owned, leased, stored, or able to be accessed by the Ministers office as provided by the department, listing the equipment cost and location and employment classification of the staff member that is allocated the equipment, or if the equipment is currently not being used
2. List the current inventory of computers owned, leased, stored, or able to be accessed by the department, listing the equipment cost and location
3. Please detail the operating systems used by the departments computers, the contractual arrangements for operating software and the on-going costs

**ANSWER**

Computers owned, leased and stored are managed centrally by the Department and all staff, including those in the Minister's office, are allocated a computer with departmental operating systems. To provide the level of detail required is an unreasonable diversion of resources.
