Question

Digital Education Revolution

Senator ALLISON—When can we expect the next audit?

Ms Paul—I do not think that has been determined yet. I think this one is the important one to get the baseline. I would imagine we would be doing it on a pretty regular basis over a four-year program. We can come back to you on that.

Answer

The frequency of audits has not yet been determined. Further consideration of this issue will be given in the context of the roll out of the future rounds of the program.
