Senator Mason provided in writing.

Question

Trade Training Centres in Schools

- (i) How many projects does the Department expect to approve in the 2008/2009 financial year?
- (ii) The 2009/2010 financial year?
- (iii) The 2010/2011 financial year?

Answer

- (i) The total number of projects approved in the 2008-09 financial year was 138 (34 in Round One (Phase One) and 104 in Round One (Phase Two)).
- (ii)(iii) The number of projects that will be approved in the 2009-10 and 2010-11 financial years will be dependent on the quality and number of applications received, how many of these are for clusters and for individual schools, and how much funding each applicant requests (schools can apply for between \$500,000 and \$1.5 million over the life of the Program).
