**Question**

Senator FISHER—. Are you able to give any information today about, for example, how many of those would have been assessed within, say, 14 days after lodgement?

Ms B Bennett—I can take that on notice.

Ms B Bennett—Yes, but our KPI both in the portfolio budget statements and in our annual report is 20 working days. I do not know if we collect that information that goes to a 14-day assessment process, when we have a mechanism to count our performance against 20 days. I will take it on notice.

**Answer**
