DEEWR Question No. EW0866_13

Senator Nash provided in writing.

Question

Trade Training Cadetships

Has the Department provided any advice about delaying the Trade Training Cadetships?

Answer

The Australian Government announced that the National Trade Cadetship initiative would be deferred by one year in the 2012-13 Budget.

This deferral provided the opportunity to better align the year 11-12 cadetship element of the initiative with the broader Senior School curriculum work being undertaken by the Australian Curriculum, Assessment and reporting Authority.
