

## Senate Standing Committee on Education and Employment - Education

### QUESTIONS ON NOTICE Additional Estimates 2013-2014

#### Outcome 2 - Schools and Youth

Department of Education Question No. ED0467\_14

Senator O'Neill asked on 26 February 2014, Hansard page 122

#### Question

##### *Low SES national partnership success*

Senator O'NEILL: In terms of meeting the goals that they set and reporting on that, do you have any statistics on the success of the program? Ms Hanlon: Each of the states and territories provided their own reports that responded to the various milestones that they had set, so we would have to take that on notice also if you wanted to have a comprehensive report of state and territory achievement against those milestones.

#### Answer

Under the Low SES School Communities National Partnership, states and territories are required to report against agreed milestones in annual and progress reports submitted in April and October each year. The 2013 Annual Report is scheduled for publication in mid-2014. The most recent published reports, the 2012 Annual Reports, can be accessed on the Department's website via the following links:
