Question Number: **W041-05**

Question:

Senator Webber asked at *Hansard* page 53:

How many people that went through the Transition to Work programme in each year were -

- (a) on income support
- (b) what kind of income support?

Answer:

Income support status does not determine eligibility for Transition to Work (TTW) and is not routinely collected for all participants. As such it is not possible to produce any statistically valid data.
