Question Number: W209-06

Question:

Senator Marshall provided in writing :

How many employees on the graduate programme did DEWR employ for 2004 and 2005?

How does this compare with the numbers of graduates other public service agencies employed over these years?

Answer:

In 2004 the Graduate Programme had 50 graduates in total.

The DEWR Graduate Programme has 67 graduates in total for 2005.

In comparison with other public service agencies, the number of graduate placements offered by DEWR has been relatively consistent with similarly sized Commonwealth Agencies.
