Question Number: W353-06

Question:

Senator Campbell asked at *Hansard* page 120:

EOWA's Annual Report of 2003-04 indicated that staff turnover during the period was 23. Could EOWA confirm if this is correct and if not, provide reasons for the correct turnover figure?

Answer:

The staff turnover figure of 23 staff is correct. Of this only 1 was a resignation of an ongoing staff member, and the previous Director's end of contract exit was another. The remaining 21 were made up of non-ongoing contract staff the bulk of whom were hired to complete the seasonal reporting work under the legislation, with others assisting with administrative and communications short-term projects.
