Who produced the video on the website, and how much did this cost?

## Answer

There are three videos on the AYF website.

The 'YouTHINK 20 February 2009' video was produced by the Hoyts Corporation as part of the contract to provide services for the youTHINK forum held on 20 February 2009. As a minor item among broader services provided, it was not separately priced and was absorbed within the overall cost of the services contract.

The 'AYF launch' video was filmed by Department staff, with equipment hired from Videocraft at a total cost of \$1,375 (GST inclusive). The footage was edited in the Department.

The 'An introduction to the AYF' video was produced by WIN Television at a total cost of \$5,050 (GST inclusive), which included filming equipment and provision of an operator and editing of the video footage.
