Question No. EW0186_10

Senator Cash asked on Monday, EEWR Hansard page 33.

Question

What percentage of business share overall was awarded to PSP providers and what percentage of business share overall was awarded to JPET providers.

Answer

PSP providers were awarded 67% of the Stream Services national business.

JPET providers were awarded 52% of the Stream Services national business.

As providers could deliver both PSP and JPET concurrently, the percentages mentioned above cannot be added together.

It should be noted that not all PSP or JPET providers tendered for Stream Services business.
