

**Senate Standing Committee on Education Employment and Workplace
Relations**

**QUESTIONS ON NOTICE
Budget Estimates 2012-2013**

Outcome 2 – Schools and Youth

DEEWR Question No. EW0424_13

Senator Nash asked on 31 May 2012 , Hansard page 61

Question

Trade Training Centres

Senator NASH: Yes. Could I ask you to take on notice for me—I am very happy not to have this now—a breakdown across the inner regional, outer regional, remote and very remote of where they are. Obviously some of the clusters might cross borders, but just insofar as you can, a breakdown in the regional areas of where they are. Certainly, if you do not want to provide the actual information, just the location of a trade training centre. Mr Edwards: Yes, sure. The actual numbers in each of those classifications? Senator NASH: Where they are, if you can—which towns. Ms Smith: We will provide the names of the schools by lead school and their regional allocation. Senator NASH: That would be great. That would be really useful.

Answer

As at 31 May, 189 Trade Training Centres (TTCs) were operational.

These TTCs can be classified according to their level of remoteness using the Australian Bureau of Statistics Australian Statistical Geography Standard. The breakdown of these TTCs into the five area types (according to the location of the lead school) is as follows:

Remoteness Area	Number of TTCs
Major Cities	82
Inner Regional	51
Outer Regional	43
Remote	7
Very Remote	6

The tables on the following pages provide a list of the 189 operational TTCs and details about the location of the lead school.

TRADE TRAINING CENTRES OPERATIONAL AS AT 31 MAY 2012 BY REGION

Region is defined by the Australian Statistical Geographical Standard (ASGS) Code:

- 0 - Major Cities of Australia
- 1 - Inner Regional Australia
- 2 - Outer Regional Australia
- 3 - Remote Australia
- 4 - Very Remote Australia

TRADE TRAINING CENTRES OPERATIONAL AS AT 31 MAY 2012
