Senator Back asked on 6 June 2013, Hansard page 28

Question

Number of secondary school students at Nyangatjatjara college

Senator BACK: Do we know how many students are actually enrolled and attending?
Mr Goodwin: A total of 65 students were reported in the 2012 school census as attending the school, consisting of 16 at Yulara, 12 at Imanpa, and 37 at Kaltukatjara.
Senator BACK: And what year is that from, until year 10? Mr Goodwin: From the first formal year of primary school up to year 10.
Senator BACK: It would be interesting to know, now or on notice, how many of that 65 are secondary students, which would be years 7, 8, 9 and 10.
Mr Goodwin: I do not have that breakdown with me, but would be happy to provide that on notice.
