**DEEWR Question No.** EW0250\_14

**Senator Nash asked on 6 June 2013, Hansard page 40**

**Question**

**State by state Trade Training Centre qualifications**

Senator NASH: Finally, is there any capacity to break down by state the qualifications that are on offer? Do you do that across the jurisdictions?

Ms Harrison: We can do that.

Senator NASH: That would be very useful.

**Answer**

The most recent annual Progress Report for the Trade Training Centres (TTCs) in School Program is for the 2011 school year. Data for 2012 is currently being collected.

Attachment A provides a breakdown of the qualifications that are being delivered in each state based on the 102 TTCs that reported formal pathway training towards an approved trade qualification in 2011.
