**Senator Carr provided in writing.**

**Question**

**Consultants to the Department**

How many people are employed as consultants to the Department? Please provide details of their contracts, including what they are for, and the length of the contract and when the contract started. How many people currently employed as consultants are previous employees of the Department?

**Answer**

Information on consultancies is available on the AusTender website at [www.tenders.gov.au](http://www.tenders.gov.au).

The department does not record data in a way that would readily allow answers to be provided for previous departmental employees now employed as consultants.
