Senate Standing Committee on Education and Employment

QUESTIONS ON NOTICE Supplementary Budget Estimates 2013-2014

Cross Portfolio

Department of Education Question No. ED0108_14 **Senator Ludwig provided in writing.**

Question

Departmental Reviews

- 1) Since 7 September 2013, how many new Reviews have been commenced? Please list them including:
 - a) the date they were ordered
 - b) the date they commenced
 - c) the minister responsible
 - d) the department responsible
 - e) the nature of the review
 - f) their terms of reference
 - g) the scope of the review
 - h) Whom is conducting the review
 - i) the number of officers, and their classification level, involved in conducting the review
 - j) the expected report date
 - k) If the report will be tabled in parliament or made public
- 2) For any review commenced or ordered since 7 September 2013, have any external people, companies or contractors being engaged to assist or conduct the review?
 - a) If so, please list them, including their name and/or trading name/s and any known alias or other trading names
 - b) If so, please list their managing director and the board of directors or equivalent
 - c) If yes, for each what are the costs associated with their involvement, broken down to each cost item
 - d) If yes, for each, what is the nature of their involvement
 - e) If yes, for each, are they on the lobbyist register, provide details.
 - f) If yes, for each, what contact has the Minister or their office had with them
 - g) If yes, for each, who selected them
 - h) If yes, for each, did the minister or their office have any involvement in selecting them,
 - i. If yes, please detail what involvement it was
 - ii. If yes, did they see or provided input to a short list
 - iii. If yes, on what dates did this involvement occur
 - iv. If yes, did this involve any verbal discussions with the department
 - v. If yes, on what dates did this involvement occur
- 3) Since 7 September 2013, what reviews are on-going? Please list them.
- 4) Since 7 September 2013, have any reviews been stopped, paused or ceased? Please list them.
- 5) Since Budget estimates, what reviews have concluded? Please list them.
- 6) Since 7 September 2013, how many reviews have been provided to Government? Please list them and the date they were provided.

- 7) When will the Government be responding to the respective reviews that have been completed?
- 8) What reviews are planned?
 - a) When will each planned review be commenced?
 - b) When will each of these reviews be concluded?
 - c) When will government respond to each review?
 - d) Will the government release each review?
 - vi. If so, when?
 - vii. If not, why not?

Answer

In answering this question, the following definition has been used:

A 'review commissioned by the Government' is considered to be a review formally requested by a minister or ministers, including the Prime Minister and to which a government response is expected.

Reviews produced as a component of work for Cabinet committees, inter-Departmental committees, Council of Australian Government (COAG) working groups and internal committees are excluded.

Please refer to the attached table for information on reviews.

Attachment A

commenced? Please list them including:The review of the higher education demand driven funding system.a. the date they were ordered12 November 2013.b. the date they commenced12 November 2013.c. the minister responsibleThe Hon Christopher Pyne MP, Minister for Education.d. the department responsibleDepartment of Education.e. the nature of the reviewAn external review that will consider the effectiveness and efficiency of the

e. the nature of the review An external review that will consider the effectiveness and efficiency of the
demand driven system and recommend possible areas for improvement.
f. their terms of reference Scope of the review The review will examine the following aspects of the demand driven system: 1. the effectiveness of its implementation, including policies regarding to allocation of sub-bachelor and postgraduate places; 2. early evidence on the extent to which it is: a. increasing participation; b. improving access for students from low socio-economic statubackgrounds and rural and regional communities; c. meeting the skill needs in the economy; 3. extent to which the reforms have encouraged innovation, competition diversity and greater responsiveness to student demand including development of new modes of delivery such as online learning; 4. whether there is evidence of any potential adverse impacts on the quot feaching and of future graduates; 5. measures being taken by universities to ensure quality teaching is maintained and enhanced in the demand-driven system; and 6. whether less academically prepared students are receiving the support they need to complete the course of study to which they have been admitted. The review will recommend possible areas for improvement to ensure that the system better meets its objectives, is efficient, is fiscally sustainable, and support in novation and competition in education delivery.

The review will seek the views of major stakeholders and draw on available information and data. The Review will report to the Minister for Education by mid-February 2014. See (f.) above. The Hon Dr David Kemp and Mr Andrew Norton. The expected report date If the expected report date If the report will be tabled in parliament or made public Toral yeriew commenced or ordered since 7 September 2013, have any external people, companies or contractors being engaged to assist or conduct the review?
