

SENATE STANDING COMMITTEE ON LEGAL AND CONSTITUTIONAL AFFAIRS
AUSTRALIAN CUSTOMS AND BORDER PROTECTION SERVICE

Question No. 35

Senator Hanson-Young asked the following questions at the hearing on 24 May 2012:

Senator HANSON-YOUNG: Most of my questions, I think, will be for the AFP in relation to this, but I wanted to know what type of interaction Customs have with any extraditions to Australia from Indonesia that we may have in terms of people smuggling.

Mr Carmody: I am not aware of any in particular.

Senator HANSON-YOUNG: You are not involved in any discussions in relation to them?

Mr Carmody: Not as far as I am aware, no.

Senator HANSON-YOUNG: Okay. You have not been asked to collect information for any cases being put for extradition?

Mr Carmody: No, not as far as I am aware. If we are, we will let you know, but we do not believe we are involved at all.

Senator HANSON-YOUNG: Okay. Thank you. If you could just take that on notice and clarify that.

Mr Carmody: Certainly.

The answer to the honourable Senator's question is as follows:

Customs and Border Protection has not been asked to collect information for any cases being put for extradition.
