**Question No. 83**

**Senator Barnett asked the following question at the hearing on 18 October 2010:**

Regarding consultancies:

- a) How much has the Department spent on consultancy services since Budget Estimates 2010? For each of these consultancies and current consultancies, please identify the name of the consultant, the subject matter of the consultancy, the rationale and its intended use, the duration and cost of the contract, and the method of procurement (ie open tender, direct source, etc).
- b) How can the Department justify this expenditure, that is, why the Department or its agencies could not have undertaken this work themselves?
- c) How many consultancies have been undertaken or are underway since Budget Estimates 2010? Please identify the name of the consultant, the subject matter of the consultancy, the duration and cost of the contract, and the method of procurement (ie open tender, direct source etc).
- d) Please also include total value for all consultancies, including figure for total spending on consultancies and also value of contracts awarded. Provide total figures since Budget Estimates 2010 and a breakdown on these figures for Financial Year 2008/09 and 2009/10.
