**(SE12/0193) PROGRAM – Internal Product**

Senator Hanson-Young (written) asked:

Internal audit of IMR findings: Regarding the PRE assessment, how many of the eligible clients had a submission lodged on their behalf by their IAAAS provider? How many clients had no submission lodged by their IAAAS provider?

*Answer:*

It is not possible to extract from DIAC systems figures on the number of PRE cases who had additional information provided by their IAAAS provider.

Clients allocated to PRE were advised in writing and their agents were invited to provide further information. Any additional information received was taken into consideration in the PRE assessment.
