To Whom It May Concern:

Enclosed are the names and current addresses of persons interested in the Inquiry into Indigenous Paid Labour.

All are former Indigenous workers who have been made aware of the announcement of this inquiry. Auntie Estelle is a Brisbane Aboriginal Community leader and presented these names to ANTaR for typing. Few if any will have lodged a submission.

We request you treat the people on this list as persons interested in the outcome of the inquiry particularly in the recommendations that come out of it, as they are stolen wages claimants and will be concerned to know what expectations they might have regarding the future resolution of their claims. They wish to be contacted and briefed accordingly.

Yours truly,

  
Bruce Lillis  
Secretary  
ANTaQld
