

Department/Agency: Australian Competition and Consumer Commission

Question: 10

Topic: House of Representatives Standing Committee on Economics - ACCC Annual Report 2016 – ACCC collections of NBN consumer download data

Date: 22 August 2017

MP: Coleman, David

Hansard page number: [Enter page number here]

Question:

Does the ACCC receive information about the average amount of data (Gigabytes) downloaded by NBN consumers per month across different speed tiers? If yes:

- a. Who provides this data?
- b. How often is it provided?
- c. Please provide average GB download per user for each speed tier
- d. Is the data also broken down by technology type?

Answer:

The ACCC does not currently receive information about the average amount of data downloaded by NBN consumers per month across different speed tiers.
