

**HOUSE OF REPRESENTATIVES STANDING COMMITTEE ON ECONOMICS**

**REVIEW OF THE FOUR MAJOR BANKS (FOURTH REPORT)**

**Westpac Banking Corporation**

**WBC10QW:** What figure will you be reporting to the Workplace Gender Equality Agency this year?

**Answer:** The next WGEA report will be released in November 2018. WGEA has advised that we should include Bank Managers in our reporting this year. As a result, this year's submission to WGEA will show a number for Westpac which is only marginally different to the Women in Leadership number reported. We do not think it appropriate to predict the number which WGEA will report, prior to its publication in line with the requirements of WGEA.
