

**House of Representatives Standing Committee on Economics  
Review of the Four Major Banks (Second Report)  
National Australia Bank (NAB)**

**NAB03QON:** Hansard, p16

**Mr KEOGH:** Mr Thorburn, just going back to the Sedgwick review, you made a statement about how you see that review and report as being important to increasing openness and transparency. I understand your bank made a submission to that review but that that has not been made public. Are you prepared to make your submission public?

**Mr Thorburn:** I do not see why we would not, unless—I would like to take that on notice, actually; I cannot answer that right now

<b>Answer</b>
NAB's submission (Annexure A) to the independent Retail Banking Remuneration Review, conducted by Stephen Sedgwick, is included in this response.
