

# HOUSE OF REPRESENTATIVES STANDING COMMITTEE ON ECONOMICS

## REVIEW OF THE FOUR MAJOR BANKS (THIRD REPORT)

### Commonwealth Bank of Australia

**CBA14QON:** [72]

**Mr CRAIG KELLY:** Does somebody need a Commonwealth Bank card to deposit money through these machines?

**Mr Narev:** We had this question—

**Mr CRAIG KELLY:** Of course—

**Mr Narev:** They do need cards. I need to check whether there are any circumstances under which transactions can be made on any of our machines without cards, or whether you can use your own card to deposit to another account, and we'll come back on notice to the committee on that.

**Answer:** See answer to CBA04QON.
