NAB

NAB101QON: Mr SIMMONDS: One of the things about going last, or close to last, is that quite a few topics have been covered already. Firstly, does the NAB have leave provisions for couples who suffer miscarriages?

Answer:

NAB provides paid parental leave where there is pregnancy loss (for any reason) after 20 weeks. For non-birth partners and colleagues who experience loss prior to 20 weeks, leaders are able to provide a number of support options on a case-by-case basis, including through certain leave provisions.
