

HOUSE OF REPRESENTATIVES STANDING COMMITTEE ON ECONOMICS

REVIEW OF THE FOUR MAJOR BANKS

NAB

NAB17QON:

Dr LEIGH: Would you undertake to provide to this committee the results of the 2019 staff survey, or a summary of those results, particularly going to the questions that we've discussed today?

Mr Chronican: I see no reason why we would not do that; I'm happy to do that.

Answer:

See Appendix A for the summary of 2019 staff survey results, and the results that particularly go to the questions that were raised. In addition, Mr Chronican discussed a monthly pulse survey so we have also attached the results of that from November, for the Committee's information.
