

HOUSE OF REPRESENTATIVES STANDING COMMITTEE ON ECONOMICS

REVIEW OF THE FOUR MAJOR BANKS AND OTHER FINANCIAL INSTITUTIONS

NAB83QW

- (a) How many branches will you have at the end of 2021?
- (b) For the branch closures that have taken place or are scheduled to take place during 2020 and 2021, please provide the postcode of the branch and an indication of whether the location is regional, suburban or metropolitan.
- (c) For the branch closures that have taken place in 2020 and 2021, were there other branches in the postcode that remained open?

Answer

- a) NAB continues to review its branch network on an ongoing and consultative basis and we therefore cannot state with confidence the size of our branch network at the end of calendar year 2021. As at 25 May 2021 NAB has 584 branches.
- b) Please see below the postcode and locations of the branches which have been closed or are scheduled to close during calendar year 2020 and 2021 to date. Please note this is accurate for closures announced on or before 25 May 2021. When assessing remoteness NAB uses the Australian Bureau of Statistics (ABS) classification of remoteness.
- c) Please see below where there is another NAB branch in the same postcode as the branch closures which have taken place between 1 January 2020 and 25 May 2021. Please note that for all closures listed below there has been a Bank@Post service available to the community through the local post office in the same postcode. In the same time period, there have also been 126 investments in our branch network. This includes 7 new branches, 39 relocations and 80 refurbishments or renovations.
